

Bonn, February 2021

Free from hazardous substances

Ladies and Gentlemen,

Magnetfabrik Bonn GmbH has successfully established an environmental management system according to DIN ISO 14001.

Our products ensure compliance with the following directives of the European Parliament and of the Council:

- Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the registration, evaluation, authorization and restriction of chemicals (REACH).
- Regulation (EC) No 1272/2008 of the European Parliament and of the Council on the classification, labeling and packaging of substances and mixtures, amending and repealing directives 67/548/EEC and 1999/45/EC, and amending regulation (EC) No. 1907/2006. Excluding the existing packaging agreed in accordance with 67/548/EEC or 1999/45/EC.
- Directive 2000/53/EEC of the European Parliament and of the Council on end-of-life vehicles.
- Directive 2011/65/EC of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS)
- And the Global Automotive Declarable Substance List (GADSL) issued by the German Association of the Automotive Industry.

For further questions please do not hesitate to contact us. Thank you!
