

Freedom from harmful substances

Since 2006, our environmental management system has been certified according to the globally accepted standard DIN ISO 14001.

For our products, we ensure compliance with the following directives of the European Parliament and the Council, including all current amendments:

- ✓ Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH).
- ✓ Regulation (EC) No 1272/2008 on classification, labeling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006, with the exception of existing packaging agreed in accordance with 67/548/EEC and 1999/45/EC.
- ✓ Directive 2000/53/EC on end-of-life vehicles.
- ✓ Directive 2011/65/EC on the restriction of the use of certain hazardous substances in electrical and electronic equipment [RoHS including amendments RoHS2 and RoHS3 (2015/863/EU)].
- ✓ The Global Automotive Declarable Substance List (GADSL) issued by the German Association of the Automotive Industry.
